In Tables 'A' & 'B', the dates of confirmation have been assigned as per notification No. 8132/CON.SA-6, dated 04/06/1981 based on the report of Midha Committee constituted by the Govt. for determining the Seniority as per directions given by the Hon'ble Supreme Court dated 22-03-1979 in Civil Appeals No. 2902 and 2903 of 1977 as this is only authenticated documents available in the office record for determining dates of confirmation upto 31-12-1974.

From 01-01-1975 to 03-05-1994

In case the two sources of recruitment are to be treated in a fair and equitable manner, it would be appropriate to treat the date of substantive appointment for the purpose of seniority for all officers whether promotees or direct recruits. Therefore if an officer has successfully completed his probation then his confirmation whenever made, should relate back to the date of his actual/substantive appointment. This would ensure that neither category of officers suffer due to delay in confirmation or due to delay in process of making direct recruitment for which the officers are not at fault. Also the Rota-Quota rule is kept in view while determining the substantive vacancies against which the orders of confirmation are passed. The first four vacancies are reserved for promotees and the fifth vacancy for the direct appointees and so on.

On the basis of record available in the office:-

1. The promotee officer shown in the Table 'C' below continued as DSP till they vacated the post of DSP either on account of their superannuation or otherwise even after completion of two years of period after their joining as DSP.
2. No one of them was ordered to undergo a special course of Trg. and to pass the prescribed examination in any subject including a compulsory language in which his qualification might be defective.
3. Also no such probationer failing to pass the examination provided for him or being unfavorable reported or, was reverted to his substantive rank of Inspector.

Under these circumstances, keeping in view the principles of equity, justice and fair play, special orders are passed in each case permitting periods of officiating appointment to the service to count towards the period of probation and it is ordered that these officers mentioned at Sequence No. 81 to 418 in Table 'C' have cleared successfully their period of probation for two years from the date of their appointment as DSP on the temporary post.

All these promotee officers (From Sequence 81 to 418) in Table 'C' are confirmed from the dates against their names mentioned in column No.V respectively as on this date:-

- (i) the substantive vacancy is available for them.
- (ii) they have been certified as above in respect of satisfactory completion of their probation period on date mentioned against their names in column No. IV respectively.
